Anglers Club  
Shop

# Dart Doings

*As of Monday the 24th of January Dartmouth Township has Mobile Phone Service. Twenty years in the waiting we are now up with the technology as the rest of the world. Thank you to the Community and the Dartmouth Women's Fishing Classic for raising the \$10,000 that helped us to secure our spot on the Black Spot program. A mighty effort by all involved.*

*There is some coverage on the lake but coverage is only for Telstra phones.*

## Get Well Soon

Still on the mend Larry & Shirl Watkins, & Phil Boote

# Australia Day At Dart

We could not have asked for nicer weather, on the 26th of January with just the right amount of heat and wind. Dartmouth Members fired up the BBQ's at 7am to prepare for the many hungry Mitta Valley residents and guest who would arrive, for the Australia Day breakfast. With Champagne & Orange Juice flowing, toast, fruit, poached eggs, Bacon, grilled tomato, sausages and Mal's famous venison burgers, there wasn't a tommy that couldn't be filled. Mark Smith was the MC for the Day . Lisa Seppanen Dartmouth's oldest resident raised the flag for the days celebrations, with Olivia Hodgkin singing the National Anthem. Phil Marks a new resident to the Township of Dartmouth opened with a prayer and our Guest speaker was Duncan Mclean. Cr Aaron Scales and President of Dartmouth Community Progress Association, Len

Coggan presented the awards. The Citizen of the year is Scott Giltrap who unfortunately wasn't able to attend the celebration, but his mother Joy accepted the award on his behalf. Lifetime Achievement was presented to Mary O'Leary and the Event of the year went to Dartmouth Mobile Phone fund Raiser accepted by Ebony Scales & Len Coggan . Appreciations awards were given to Daphne and Russell Hansford, Marcus Ellis and Les & Val White.

Hugh Giltrap planted the first Crepe Myrtle tree in the absents of Scott Giltrap as a commemoration to the Citizen of the year , on the high side of the banks of the football oval. Plans for 17 other trees to be planted are in the works to commemorate the other 17 Citizens of the Year going back to 1999

## 2017 Event/Project

## Dartmouth Mobile Tower Fundraiser

The Dartmouth Community Progress Association has been lobbying for Mobile service in Dartmouth for over 20 Years. With the recent black spot program the community pledged \$10,000 dollars, as a good will gesture to secure the possibility of Mobile service in Dartmouth.

They were accepted onto the program and fundraised \$5000 within the community through donations from residents, raffles and catering for functions. A financial barometer was started in February 2016 to fast track the fundraising.

The other \$5000 was raised at the Dartmouth Women's fishing Classic Auction, again residents and Sponsors of the Dartmouth Women's Fishing Classic donated items to be auctioned. A great community effort and we can now ask you to turn off your Mobile Phones during this ceremony.

### 2017 Lifetime Achievement

### Mary O'Leary

After Mary retired from school in Wodonga, she often helped out at the Eskdale School. Mary is the person to call if anyone needs assistance from Saint Vincent de Paul Society; she is the rep for the local area.

Mary O'Leary since moving to Eskdale has volunteered on many committees, The Eskdale hall, Catholic Church, Eskdale Progress Association, The Mitta Valley Heritage Society and helping with the organizing of Anzac Day, and catering for the Morning tea.

The building of the camp kitchen at Eskdale can credit Mary for the submissions.

Whenever there were flowers needed for the church, hall, or sports complex Mary begged or borrowed whatever she wanted to fit the occasion

Mary was involved with the green waste in Eskdale which is located between the hotel and the school. and a correspondent of the Bush & Bulldust letting us know what is happening in the Mitta Valley. Thank you so much for having the valley at heart

### 2017 Citizen of the Year

### Scott Giltrap

Scott Giltrap has been involved in the local community throughout his life, growing up in Mitta Mitta. He is a generous supporter of the Mitta United Football club personally and through his businesses. A through and through Mitta Mountain man.

Scott has been involved with the Mighty Mitta Muster, in a significant way for many years, leading the group to raise considerable amounts of money, through special fundraising events such as bike rides and clearing sales. completing the \$275,000 which the group contributed to the Sporting & Community Complex at Mitta Mitta. His generosity helped secure a fantastic new netball court for the Mitta United Netball club at Mitta, which wasn't part of the original project, liaising with the local and state governments to secure the funding for the new Sporting & Community Complex. Liaising with the builders and council ensuring that the building was built to specifications.

Scott generates a great deal of the sponsorship and donations for the silent auction for the Mighty Mitta Muster.

Scott personally, and through his business contributes as a major sponsor of the Mighty Mitta Muster.

Working on new projects in the form of horse yards for future events such a camp drafting to be held in Mitta, is also a part of Scotts charter.

A donation of the use of his land for the Mountain cattleman's event in January 2015, was another side fundraiser for the new Sporting & Community Complex at Mitta Mitta.

Scott loves the Mitta Valley and makes major contributions to local community groups to see it thrive, and is an extremely worthy winner of our Citizen of the Year.

We say goodbye to Les and Val White this year as they have moved to Tallangatta. Les and Val moved to the Mitta valley in 1979.

Both Les and Val have help out with the local kinder, school and pool

Kelly was the only child that went to kinder and all the way through to primary school at Dartmouth.

In the early days they helped at a Pony Club Camp held in Dartmouth.

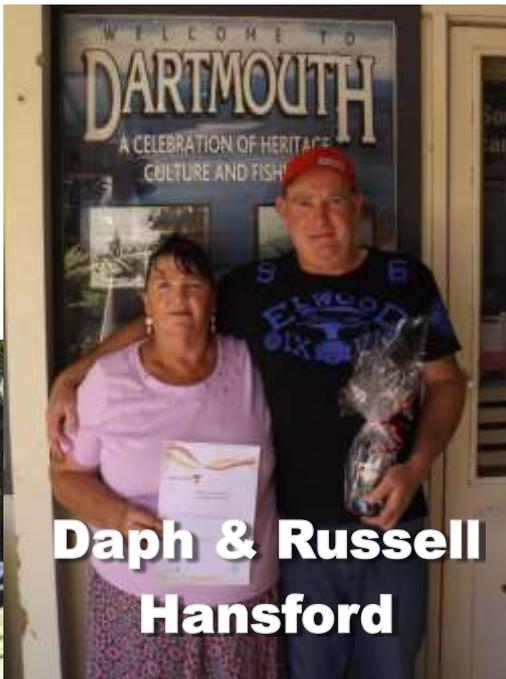

Les is a Life member of the CFA and Val was involved with the Red Cross. Both les and Val have been members of the Dartmouth Alpine Anglers Club and still are.

Les & Val were always the first to the Dartmouth Community Progress Association Working Bees

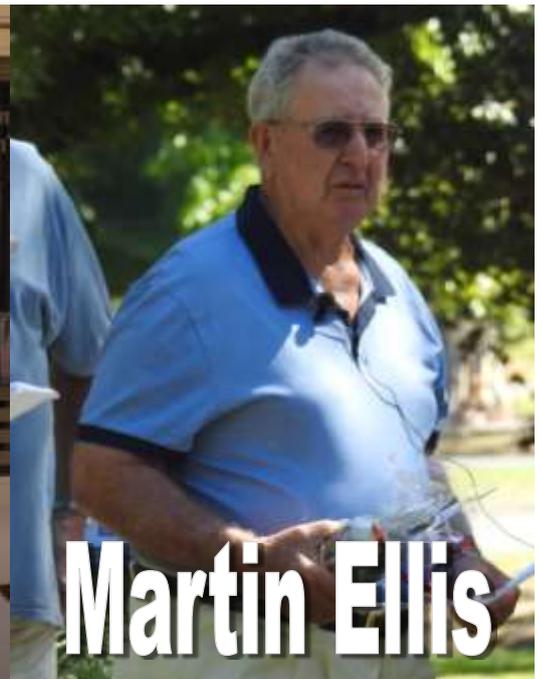

The Eskdale bowling club members with involvement in the working bees and painting of the building Les has made many a trophy for the clubs such as the fishing clubs football and the Dart Cup.

Both les and Val helped at the Mitta Primary School with School sports, training reading and craft days.

They will be miss by the township of Dartmouth and the Mitta Valley We wish them luck on their new adventure.

## New Weigh in Station

We (Chappy) have secured a lock box on the wall behind the post office.

If you need to weigh in you fish after shop hours then you can do so.

Inside the lock box is a set of scales and a weigh in sheet

- ◆ Put the Scales on the Weigh in table and weigh your fish.
- ◆ Fill in the details noting if your Trout isn't cleaned for 10% to come off.
- ◆ Have your details countersigned were possible.
- ◆ Please Clean the scales when finished and replace in the Lock box.
